URGENT ISSUE: Nebraska “As you’ve likely seen in the news, the Nebraska Department of Education released a draft of Health Standards that includes material that promotes a false understanding of God’s design for marriage and human sexuality. The standards also raise concerns about respect for the role of parents as the primary educator. Please submit your feedback at https://nde.qualtrics.com/jfe/form/SV_8dI1y2pRSfXIG8R.
